

FABRICATOR PARTNER Certificate

PSP Aluminium

SE Controls hereby recognises the above company as an authorised, audited fabricator for their EN12101-2:2003 certification scheme. They have successfully passed the required Factory Production Control process requirements to manufacture EN12101-2 SHEV's.

This process is exclusive to SE Controls solutions, and does not allow the fabricator to utilise this qualification for alternative hardware.

A handwritten signature in black ink, appearing to be 'A. D.' or similar, written over a white background.
